

Your Delta Dental PPO Plus Premier™ Plan At a Glance

Delta Dental PPO Plus Premier gives you access to approximately 154,000 participating dentists. Here's what your plan offers you and your family.

Choose dentists from two great dental networks.

Our PPO network gives you the biggest savings. PPO dentists offer large discounts off their regular fees for covered services. That means your benefit dollar goes further. About three out of five dentists nationally are Delta Dental PPO dentists.

Our Premier network offers access to the most dentists nationwide. Premier dentists also discount their services. Four out of five dentists nationally participate in Delta Dental Premier®—the nation's largest dental network.

Dentists not in our PPO or Premier networks don't offer these in-network discounts. While you may still see them, you'll pay the most for services from out-of-network dentists. You'll save the most when you see PPO dentists.

It's a snap to see if your dentist is in our networks.

Use our convenient "Find a Dentist" tool at [DeltaDentalNJ.com/FAD](https://www.DeltaDentalNJ.com/FAD) to check if your dentist is a participating PPO or Premier dentist. You can also search for other participating dentists in your area.

No more claims to file or billing surprises.

Your participating Delta Dental dentist will submit your claim for you. (You may need to submit a claim form if you go out of network.)

You'll also find out your co-payment and out-of-pocket costs during your appointment, so you won't be surprised by any balance bills later.

Easy access to your benefits information.

You can find important details of your dental coverage at the MySmile® personal benefits center. Visit our website at [DeltaDentalNJ.com](https://www.DeltaDentalNJ.com) to register and login.
